

Reporting Module Overview

What makes Subscribe-HR Different?

The Reporting Module allows HR Specialists to analyse key HR data quickly, easily and effectively. The Subscribe-HR Reporting Tool is totally web based and does not require any third party set-up or licencing. The Tool has been intelligently design to automatically link tables together, eliminating confusing set-up requirements and making it more enjoyable to perform one of the most important elements of HR Management, Information Analysis and Planning. Subscribe-HR also comes with a list of Standard Recruitment and Core-HR Reports as a “Turn-Key” offering. All reports can be shared with other users and placed in to user Dashboards for immediate access and viewing. The Subscribe-HR Reporting Tool offers full Graphical Displays in various output e.g. Pie Charts and Bars Charts.
